FOR IMMEDIATE RELEASE

## MAYFIELD CURLING CLUB HAS A NEW LOCATION

On May 7, 2020 the Mayfield Curling Club (MCC) signed a lease for a new facility at 23103 Miles Road in Warrensville Heights, Ohio. Thank you to the members and friends of MCC as we have reached this tremendous milestone!

The facility will be in excess of 18,000 square feet and will house four sheets of ice! We have included many great amenities in the design. While specifics are still evolving, we anticipate opening for the 2020-2021 season and welcoming curlers from the GLCA, USWCA, USCA, and abroad to our new home.

MCC is a sports education organization committed to encouraging, teaching and promoting the sport of curling while developing youth and adult programs that lead to local, national and international competition. As the only dedicated curling facility in Northeast Ohio, the membership is committed to growing MCC as the hub of curling in the greater Cleveland area.

We continue to raise funds for our new facility. MCC's application to be recognized as a 501(c)(3) tax exempt charitable organization is pending with the IRS. If you are interested in contributing to our organization, please email [NEOCurling@gmail.com](mailto:NEOCurling@gmail.com).
